OF SUPERVISION WITH CONSENT OF THE OFFENDER

Other Court Action:

11/15/2006: Probation Form 12B Petition to Modify the Conditions of Supervision was filed this date noticing the Court of the offender's conviction for Driving Under the Influence of Alcohol on August 18, 2005, and a second conviction for Driving Under the Influence of Alcohol and Driving While Privilege was Suspended or Revoked on October 17, 2005. The Court approved the modification as recommended adding the following special conditions: The defendant shall abstain from the use of alcoholic beverages and shall not frequent those places where alcohol is the chief item of sale; and the defendant shall comply with the conditions of home detention for a period of 30 days to commence when directed by the probation officer.

During this time, the defendant will remain at his place of residence except for employment or other activities approved in advance by the defendant's probation officer. The defendant shall maintain telephone service at his place of residence without an answering device, call forwarding, a modem, caller ID, call waiting, or a cordless telephone for the above period.

OF SUPERVISION WITH CONSENT OF THE OFFENDER

3. The defendant shall have no personal contact with Bianca Perez without the advanced permission of the probation officer and in accordance with the Criminal Protective Order issued by the Stanislaus County Superior Court on October 26, 2007.

Justification: On October 17, 2007, Mr. Barrera was convicted of a violation of California Vehicle Code Section 14601.1(a), Driving When Privilege Suspended or Revoked, a misdemeanor. He was sentenced to 24 months informal probation with a \$400 fine. On October 24, 2007, the offender was convicted of a violation of Penal Code Section 243(e)(1), Battery on a Spouse, Co-habitant, or a person who is the parent of the defendant's child, a misdemeanor. He was sentenced in this matter to 36 months informal probation, 2 days jail, a \$400 fine, and ordered to complete a 52-week domestic violence program. In addition, the offender submitted a urine specimen on January 8 and 22, 2008, which returned from the lab as positive for cannabinoids (marijuana).

As a result of his actions in the above-noted criminal matters, the offender has been returned to drug aftercare treatment and testing. In addition, Mr. Barrera, at his request, has been re-enrolled in mental health counseling. Mr. Barrera began his domestic violence treatment program with Sierra Education and Counseling Services on November 8, 2007. Mr. Barrera is in agreement with the requested modification of his conditions of supervision, and voluntarily signed a Probation Form 49, Waiver of Hearing to Modify the Conditions of Supervised Release, to add the above-noted conditions.
